

Activity & Social Day
Sunday 4th August 2019

Our Social event this year will be held on Sunday 4th August 2019 beginning at 10:00am with free admission. Families and children with any breed of dog are more than welcome. It's a fabulous opportunity to catch up with other dog owners over tea and a slice of cake. We've got a fun dog show, agility jumps, a tunnel and weaves for you or the kids to enjoy. Try your hand at welly wanging! or an introduction to gundog work and hunting. Our activities are each available to 'have a go' for a nominal fee of just £1 for non-members. We have family tickets at £5, so choose as many activities as you like and take part as many times as you like. It's ideal for those who just love belonging to that wider community of dogs, where we can all have some fun and enjoy our canine friends together as a family.

The venue will be on the field adjacent and belonging to the Laughing Fish Public House, Station Road, Isfield, East Sussex TN22 5XB where they also serve an excellent lunch. We hope to have a super raffle and lots of prizes on offer, eventually rounding off the day at around 2-3pm enabling a safe journey home for everyone.

If you are entering our Working Test at Balcombe on Saturday 3rd August, why not make a weekend of it. Overnight camping / caravanning is available at this venue for the Friday and Saturday evening which is just a short drive from the ground. A booking form including the option of an evening meal on the Saturday evening if required is as below.

Note. *there is no electric hook or shower block available but we do have a Portaloo.*
