

Annual Top Slovakian Rough Haired Pointer Club Awards Top SRHP / Top SRHP PUPPY

Classification and Points System

Claims are accepted from any number of Kennel run Club Open or Championship Shows where Import Register classes are on offer and eligible dogs can compete. Points are calculated from the 1st January to 31st December each year. All points must be submitted to the Club Show Coordinator by the 31st January each year and overall winners will be declared by the 31st March annually. In the event of a tie the amount of 'Best Import Register' or 'Best Import Register Puppy' points claimed will earn extra points to declare an overall winner. **Please Note the following:**

** for both Championship and Open Shows points may only be claimed for one class win. No points awarded for subsequent classes. Points for Group placings are not eligible.*

** Puppies may not claim points for a 'Best Import Register' win from a Championship or Open Show*

** if no Puppy class is on offer then one extra point may only be claimed where 'Best Import Register Puppy' is declared on the day by the Show / Society.*

CHAMPIONSHIP SHOWS

ADULT

Championship Show Points = 3 points for class win + **1** point for Best Dog/Bitch + **1** point for Best Import Register (maximum of **5** points per Championship Show may only be claimed)

PUPPY

Championship Show Points = 3 points for class win + **1** point for Best Import Register Puppy (maximum of **4** points per Championship Show may only be claimed)

OPEN SHOWS

ADULT

Open Show Points = 1 point for class win + **2** points for Best Import Register (maximum of **3** points per Open Show may only be claimed)

PUPPY

Open Show Points = 1 point for class win + **1** point for Best Import Register Puppy (maximum of **2** points per Open Show may only be claimed)
